COUNTY OF LOS ANGELES - DEPARTMENT OF MENTAL HEALTH

FACT SHEET

APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT FOR SENATE BILL (SB) 90 PAYMENTS TO NON-GOVERNMENTAL AGENCIES FOR FISCAL YEAR 2002-2003 SB 90 SERVICES

(ALL SUPERVISORIAL DISTRICTS)

REQUEST:

Approval of Request for Appropriation Adjustment to use \$3,213,000 of unallocated State General Fund (SGF) managed care funds for expenditures presently funded with Sales Tax Realignment funds. This will allow for the redirection of Sales Tax Realignment funds that can be used to compensate Non-Governmental Agencies (NGAs) for Assembly Bill (AB) 3632 services provided in Fiscal Year (FY) 2002-2003.

CONTRACTOR:

DMH has Mental Health Service Agreements with NGAs with language stating that in accordance with 1984 California Legislature enactment of AB 3632, the County intends to pay for existing AB 3632 mental health services for severely emotionally disturbed (SED) children/adolescents who have been referred by local school districts by assisting service providers in obtaining SB 90 funds to offset the costs of the services. In accordance with the terms of the Agreements, SB 90 funds are part of the Maximum Contract Amount (MCA) and are to be paid by County to Contractor solely in County's capacity as the SB 90 claim intermediary between the Contractor and the State. DMH is to compensate such contractors for delivering such mental health services from State SB 90 funds upon receipt from the State.

INTENT:

Board approval of these amendments is necessary because it will enable Contractors identified in the Attachment to be reimbursed for continuing to deliver federally mandated AB 3632 mental health services to approximately 7,200 eligible pupils in 82 school districts in Los Angeles County.

The present fiscal conditions of the State are such that the State is apparently unable to provide its SB 90 payments for AB 3632 services in a timely manner, creating a cash flow problem for Contractors. A partial interim solution to this cash flow problem, on a one-time basis, is to use unallocated SGF manage care funds for expenditures presently funded with Sales Tax Realignment funds. In turn, this will free up Sales Tax Realignment funds

Fact Sheet SB 90 Payments for NGAs Page 2

that can be used to pay NGAs for AB 3632 services. This will provide some cash flow relief to NGAs thereby allowing for the continuance of AB 3632 services, without interruption, pending fulfillment of the State's payment obligations.

JUSTIFICATION:

In 1984 the California legislature enacted AB 3632 in order to maximize and coordinate the provision of services to SED children/adolescents. The County's intermediary role between contracted service providers and the State for AB 3632 mental health services for SED children is achieved through the SB 90 reimbursement process that was designed to enable local governments to recover from a net financial injury that results from this State mandated program. While the \$3,212,595 will be included in the County's FY 2002-2003 SB 90 mandated claim filed with the State, State payment will not occur within a twelve (12) month period.

The County will be using \$3,212,595 of SGF managed care dollars to free up other appropriation presently funded with Sales Tax Realignment. These freed up funds will fund this request thereby making these expenditures eligible for claiming to the State as SB 90 reimbursable expenditures.

CONTRACTING PROCESS:

Per Mental Health Service Agreements, 26 NGAs have delivered AB 3632 mental health services and are eligible for SB 90 payments in FY 2002-2003. Since SB 90 funds are part of the MCA, contract amendments to increase the MCA will be required for this action.
